Careers in Compliance
June 8 | 6:30 pm - 8:30 pm
Businesses and nonprofits face an ever-changing landscape of regulations. From federal and state laws, to agency rules, to industry-based ethics, lawyers are frequently called upon to navigate this complex terrain. In recent years, industries such as finance, healthcare, and higher education have seen increased need for compliance professionals. What do compliance professionals do? How can you learn more about industries and companies that may be hiring? And how can you leverage your JD to obtain those positions? Come hear from our panel of experts and enjoy an evening of networking at the City Bar.

Moderator:
Carla Vogel, Sycamore Partners

Speakers:
Bryan Assael, KPS Capital Partners
Danielle Gordon, Memorial Sloan Kettering Cancer Center
Denisse Mira, JPMorgan Chase & Co.
Andrea Stagg, Barnard College

Careers in Labor & Employment Law
June 28 | 6:30 pm - 8:30 pm
Labor and employment law encompasses various topics, including pay and benefits, harassment and discrimination, whistleblower protections, and health and safety. The practice of labor and employment can vary, from advising businesses on complying with applicable laws and regulations to helping protect workers when their rights are being violated. In this program, panelists will discuss what practicing labor and employment law involves, the differing career paths available, and the areas of growth.

Moderator:
Tracey Salmon-Smith, Faegre Drinker

Speakers:
Daniel Dorson, Faegre Drinker Biddle & Reath, LLP
Joan C. Lenihan, Joan C. Lenihan, Attorney at Law
Brittani R. McDonald, Diageo
William McGovern, EEOC, NY District

Careers in Cyber Security & Data Privacy Law
August 4 | 6:30 pm - 8:30 pm
International, federal, state, and local laws and regulations in cybersecurity and data privacy are rapidly evolving in response to emerging issues that seem to change almost daily. As the legal and regulatory environment continues to evolve, organizations are working hard to comply and protect the information they hold, paving the way for law firm, in-house, and public sector opportunities for new lawyers or lawyers in transition. Cybersecurity and data privacy attorneys work in litigation, regulatory, and transactional practices, as such these fields remain open to a diverse array of practice settings and require a diverse set of skills. Join our panel as they discuss careers in the evolving areas of cybersecurity and data privacy law.
