FINANCIAL STATEMENTS

APRIL 30, 2018 and 2017

INDEPENDENT AUDITORS' REPORT

The Board of Directors
Association of the Bar of the City of New York Fund, Inc.
New York, New York

Report on the Financial Statements

We have audited the accompanying financial statements of the Association of the Bar of the City of New York Fund, Inc. (the "City Bar Fund"), which comprise the statements of financial position as of April 30, 2018 and 2017, the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

The City Bar Fund's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association of the Bar of the City of New York Fund, Inc. as of April 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements April 30, 2018 and 2017

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Organization:

The Association of the Bar of the City of New York Fund, Inc. (the "City Bar Fund"), incorporated in 1946 in the State of New York, was established for the purpose of utilizing the funds received to facilitate and improve the administration of justice, the cultivation and diffusion of knowledge and understanding of the law, and to facilitate access to justice.

The City Bar Fund is exempt from federal income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and from state and local taxes under comparable laws and is not a private foundation.

The City Bar Fund is affiliated with The Association of the Bar of the City of New York (the "Association") and shares space and certain resources with the Association. Although the members of the Association's Executive Committee constitute the entire membership of the City Bar Fund, members of the Association do not have a substantial economic interest in, or control of, the City Bar Fund, and, therefore, the two organizations' financial statements are not consolidated.

[2] Basis of accounting:

The financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") applicable to not-for-profit organizations.

[3] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and other support and expenses, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

[4] Cash and cash equivalents:

For purposes of the accompanying statements of cash flows, the City Bar Fund's management considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents, with the exception of those money-market funds held as part of the investment portfolio.

[5] Investments:

Investments in corporate stocks are reported at their published fair values as of fiscal year-end. Investments in mutual funds consisting of foreign and domestic equities, commodities, bonds and fixed income securities are reported at their fair values as determined by the related investment managers as of fiscal-year end. Short-term investments consist of money market funds. The investment in a limited liability company is carried at its original cost basis at date of purchase and adjusted to fair value at fiscal year-end, based upon the valuation of the underlying assets as provided by the related investment manager. The City Bar Fund's management reviews and evaluates the value provided by the related investment manager for the limited liability company and believes it is reported at a reasonable estimate of its fair value. The estimated value may differ significantly from the value that would have been used had a ready market for this instrument existed.

Notes to Financial Statements April 30, 2018 and 2017

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[5] Investments: (continued)

Investment transactions are recorded on a trade-date basis. Realized gains and losses on investments sold, and unrealized appreciation and depreciation on investments held, are reported in the statements of activities as increases or decreases in unrestricted net assets unless their use is restricted on a temporary or permanent basis through donor stipulation. Realized gains and losses on investments are determined by comparison of the cost at the time of acquisition to proceeds at the time of disposition. Unrealized gains and losses on investments are determined by comparing the investment's cost to the fair value at the end of each year. The earnings from dividends and interest are recognized when earned.

Investment expenses include the services of investment advisors. The balances of investment advisory fees disclosed in Note C are those specific fees charged by the City Bar Fund's investment advisors in each year.

[6] Property and equipment:

Property and equipment, consisting of computer equipment and software, is recorded at cost at the date of acquisition or at the fair-market value at the date of donation. The City Bar Fund capitalizes assets over \$5,000 subject to Board approval. Depreciation is calculated using the straight-line method over an estimated useful life of five years.

[7] Library books and works of art:

Library books and works of art that have been donated to the City Bar Fund have been recorded at the nominal value of one dollar. Library books and works of art that have been purchased have been expensed as incurred. For insurance purposes, the value of the collection (owned in part by the Association) that the Association and the City Bar Fund would seek to replace in the event of damage would not exceed the insurance limit.

[8] Accrued vacation:

Employees accrue vacation on a calendar-year basis. Accrued vacation is included as a liability in the financial statements and represents the potential liability for unused employee vacation time payable in the event of employee departures. At April 30, 2018 and 2017, the accrued vacation obligation was \$66,130 and \$41,416, respectively.

[9] Net assets:

The net assets of the City Bar Fund and changes therein are classified and reported as follows:

(i) *Unrestricted:*

Unrestricted net assets represent those resources for which there are no restrictions by donors as to their use and are categorized as follows:

Available for General Operations

Funds that are undesignated and are available for the ongoing activities and working capital needs of the City Bar Fund.

Board-Designated Endowment Fund

Funds that are designated by the Board of Directors to function as an endowment.

ASSOCIATION OF THE BAR OF THE CITY OF NEW YORK FUND, INC.

Notes to Financial Statements April 30, 2018 and 2017

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[9] Net assets: (continued)

(ii) Temporarily restricted:

Temporarily restricted net assets represent those resources that are subject to the requirements of the New York Prudent Management of Institutional Funds Act ("NYPMIFA"), and those resources the use of which has been restricted by donors for specific purposes and/or the passage of time. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, or funds are appropriated through an action of the Board of Directors, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

(iii) Permanently restricted:

Permanently restricted net assets represent those resources, the principal of which has been permanently restricted by donors. Generally, the donors of these assets permit the City Bar Fund to use all or part of the income and net capital appreciation earned on related investments for general or specific purposes. Under the terms of NYPMIFA, those earnings are classified as temporarily restricted in the statements of activities, until formally appropriated by the Board of Directors.

[10] Endowment:

The City Bar Fund is subject to NYPMIFA, as well as the provisions of the Financial Accounting Standards Board's (the "FASB") Accounting Standards Codification ("ASC") Topic 958, which provides guidance on the net asset classification of board-designated and donor-restricted endowment funds for a not-for-profit organization (see Note I).

[11] Revenue recognition:

Contributions and grants:

Contributions are recorded as revenue upon the receipt of cash or unconditional pledges. Contributions are considered available for unrestricted use unless specifically restricted by the donor. Contributions to be received over periods longer than a single year are discounted at an interest rate commensurate with the risk involved. It is the City Bar Fund's policy to sell donated investments upon receipt.

Special events:

The City Bar Fund conducts special events whereby a portion of the gross proceeds paid by the attendees represents payment for the direct cost of the benefits received by the attendees at the event. In the absence of a verifiable objective means to demonstrate otherwise, the fair value of catering provided at these special events is measured at the actual cost to the City Bar Fund. Such special-event income is reported net of the direct costs of the event that are attributable to the benefit that the donors receive.

As of April 30, 2018 and 2017, deferred revenue of \$343,195 and \$276,947, respectively, reported in the statements of financial position represents the revenue from advance receipts related to a future year's event which is deferred and will be recognized as income in the year in which the event is held.

ASSOCIATION OF THE BAR OF THE CITY OF NEW YORK FUND, INC.

Notes to Financial Statements April 30, 2018 and 2017

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[11] Revenue recognition: (continued)

Donated services:

Contributions of services are recognized by the City Bar Fund as both revenues and expenses if the services (a) create or enhance assets and (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated. The value of contributed legal services recognized in the statements of activities was \$273,500 and \$314,845 for fiscal-years 2018 and 2017, respectively. These services are different from the services mentioned in Note A[12], as they directly benefit the City Bar Fund.

Other income:

Each year the City Bar Fund hosts lectures and various events for which tickets may be purchased; the income from these events is included as other income within the statements of activities.

[12] Volunteer services:

The City Bar Fund directs professional services contributed at no fee by lawyers and other volunteers largely to indigent persons who need legal assistance. During fiscal-years 2018 and 2017, the City Bar Justice Center (the "Justice Center") coordinated approximately \$15,000,000 and \$16,139,000 in volunteer services, respectively. Because the Justice Center coordinates and supervises these services and is not the recipient of these services, these services are not reported in the financial statements.

[13] Functional allocation of expenses:

The costs of providing the City Bar Fund's various program and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, direct costs have been allocated among the various program and supporting-service categories based on the nature of the expense or time allocation. Indirect costs have been allocated on the basis of utilization by department, with the exception of rent which has been allocated based on square footage.

[14] Income tax uncertainties:

The City Bar Fund is subject to the provisions of the FASB ASC Topic 740, *Income Taxes*, as it relates to accounting and reporting for uncertainty in income taxes. Because of the City Bar Fund's general tax-exempt status, management believes that ASC Topic 740 has not had, and is not anticipated to have, a material impact on the City Bar Fund's financial statements.

[15] Subsequent events:

The City Bar Fund evaluated subsequent events through August 8, 2018, the date on which the financial statements were available to be issued.

[16] Upcoming accounting pronouncement:

In August 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. ASU 2016-14 will amend financial-statement presentations and disclosures, with the goal of assisting not-for-profit organizations in providing more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. ASU 2016-14 includes qualitative and quantitative requirements in the following areas: (i) net asset classifications, (ii) investment returns, (iii) expense categorizations, (iv) liquidity and availability of resources, and (v) the presentation of operating cash flows. The new standard will be effective for annual reporting periods beginning after December 15, 2017. The City Bar Fund will adopt this pronouncement in fiscal-year 2019.

The FASB's ASC Topic 820, *Fair Value Measurements*, establishes a three-level valuation hierarchy for fair-value measurements. These valuation techniques are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair-value hierarchy:

Level 1 - Valuations are based on observable inputs that reflect quoted market prices in active markets for identical investments, at the reporting date.

Level 2 - Valuations are based on (i) quoted prices for similar investments in active markets, or (ii) quoted prices for identical investments, or similar investments, in markets that are not active, or (iii) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date. The City Bar Fund has no Level 2 investments.

Level 3 - Valuations are based on pricing inputs that are unobservable and include situations where there is little, if any, market activity for the investments, or the investments cannot be independently valued. The City Bar Fund has no Level 3 investments.

The City Bar Fund's investments are subject to various risks, such as interest-rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of those securities could occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

The City Bar Fund has investments that are valued using the Net Asset Value ("NAV") per share or its equivalent as a practical expedient of fair value. This applies to investments which (i) do not have a readily determinable fair value and (ii) whose financial statements were prepared by the respective investment manager consistent with the measurement principles of an investment company or have the attributes of an investment company. Investments that are valued using NAV are not required to be categorized within the fair value hierarchy. Accordingly, these investments and certain related tables have been properly excluded from the financial statements.

ASSOCIATION OF THE BAR OF THE CITY OF NEW YORK FUND, INC.

Notes to Financial Statements April 30, 2018 and 2017

NOTE C - INVESTMENTS (CONTINUED)

The availability of market data is monitored to assess the appropriate classification of financial instruments within the fair-value hierarchy. Changes in economic conditions or valuation techniques may require the transfer of financial instruments from one level to another. In such instances, the transfer is reported at the beginning of the reporting period. During 2018 and 2017, there were no transfers among the fair-value hierarchy levels.

The following tables summarize the fair values of the City Bar Fund's assets at each year-end, in accordance with ASC Topic 820 valuation levels:

	April 30, 2018		
	Amounts within Fair-Value Hierarchy

NOTE E - RETIREMENT PLANS

[1] Defined-benefit pension plan:

Employees of the City Bar Fund participate in the Association's defined-benefit pension plan upon meeting the requirements for eligibility. The plan was amended to cease all benefit accruals effective July 1, 2004 and no future employees are eligible for this benefit. All active participants are fully vested in their accrued benefits. During fiscal year 2016, the Association offered a buy-out to all current participants in the plan, approximately 50% of participants accepted the buy-out.

[2] 401(k) plan:

The City Bar Fund participates in the Association's Section 401(k) Plan, under which employees make contributions up to the maximum allowable by law. All eligible employees are entitled to receive up to a 3% matching contribution. The 3% match contributed by the City Bar Fund in fiscal-years 2018 and 2017 was \$80,293 and \$75,612, respectively.

NOTE F - RELATED-PARTY TRANSACTIONS

Various operating expenses are paid by the Association on behalf of the City Bar Fund. Certain of these inter-entity transactions are reimbursed by the City Bar Fund to the Association. Additionally, City Bar Fund pays rent for its usage of space within the Association's building based on a rental agreement, renewable annually. Rent expense for fiscal-years 2018 and 2017 was \$328,468 and \$317,246, respectively.

NOTE G - SIGNIFICANT SOURCE OF REVENUE

The City Bar Fund received grants from an unrelated party in fiscal-year 2018 totaling \$844,620. The City Bar Fund received grants from two unrelated governmental entities in fiscal year 2017 totaling \$2,125,428. Such grants represented approximately 20% and 42% of total contribution revenue in fiscal-years 2018 and 2017, respectively.

NOTE H - CONCENTRATION OF CREDIT RISK

The City Bar Fund maintains its cash in bank accounts in amounts which, at times, may exceed federally insured limits. The City Bar Fund has not experienced any losses in such accounts, and management believes the City Bar Fund is not exposed to any significant risk of loss due to the failure of the depository banks.

NOTE I - ENDOWMENT

[1] The endowment:

The City Bar Fund's endowment consists of individual funds established for a variety of purposes, consisting of donor-restricted funds and funds designated by the Board of Directors to function as an endowment. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

[2] Return objectives and risk parameters:

The City Bar Fund has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment, while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the Board of Directors, the endowment assets are invested with the long-term objective of earning a net return of at least the Consumer Price Index (the "CPI"), plus the spending rate of 4.75%. Actual returns in any given year may vary from this amount.

[3] Strategies employed for achieving objectives:

To satisfy its long-term rate-of-return objectives, the City Bar Fund relies on a total-return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The City Bar Fund targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

[4] Spending policy and related objectives:

For both fiscal-years 2018 and 2017, the City Bar Fund has had a policy of appropriating, for distribution, 4.75% of its endowment fund's average fair value over the prior 12 quarters, through the calendar year-end preceding the fiscal year in which the distribution is planned. In establishing this policy, the City Bar Fund considered the long-term expected return on its endowment. Accordingly, over the long term, the City Bar Fund expects the current spending policy to allow its endowment to grow at an annual average of the CPI, plus the spending rate. This is consistent with the City Bar Fund's objective of maintaining the purchasing power of the endowment assets held in perpetuity or for a specified term, as well as to provide additional real growth through new gifts and investment returns.

[5] Endowment net-asset composition, by type of fund, as of each fiscal year-end:

[7] Funds with deficiencies:

Due to unfavorable market fluctuations, from time-to-time the fair values of assets associated with individual donor-restricted endowment funds may decline below the historical dollar value of the donors' original, permanently restricted contributions. There were no such deficiencies in either fiscal-year 2018 or 2017.

NOTE J - PROGRAM AND SUPPORTING EXPENSES

Generally accepted accounting principles require that the City Bar Fund's expenses be reported on a functional basis. Accordingly, expenses were allocated amount program and supporting services as follows:

	April 30,	
	2018	2017
Program	\$ 5,465,574	\$ 5,107,061
Management and general	236,718	224,316
Fund-raising	502,105	531,142
	\$ 6,204,397	\$ 5,862,519

The above expenses are inclusive of expenses that have been net of revenue in the accompanying statements of activities. Direct benefit to participants are reported as fund-raising expenses, and investment expenses, as disclosed in Note C, are reported as management and general.

NOTE K - COMMITMENT

In the normal course of business, the City Bar Fund enters into various contracts for professional and other services, which are typically renewable on a year-to-year basis.
