

COMMITTEE SERVICE

TAKE THIS OPPORTUNITY TO APPLY

Dear Member:

I invite you to join a City Bar committee. Serving on a committee is a rewarding experience. By attending monthly meetings and working on committee projects, you can help shape law and public policy, network with colleagues, improve your expertise and help people in need. As a committee member, you may be involved in drafting reports, commenting and testifying on legislation, submitting briefs, sponsoring continuing legal education programs and participating in public service projects.

Membership on each committee is limited, so the broader your scope of committee interest, the more likely you will be placed on a committee that is personally and professionally satisfying. In April, the committee chairs begin nominating new members for a three-year term beginning in September. Please note that student committee members do not vote and serve a one-year term. To assure consideration, please submit this committee preference form and your résumé. You may also apply online at www.nycbar.org. Notification of committee appointments are sent mid-summer. If you are not selected at this time, we will hold your application for one year and you will be under consideration to fill mid-year vacancies.

Please see the reverse side of this form for a list of our committees and visit our website for committee descriptions. We look forward to your participation and will do our best to accommodate your choices.

Thank you.
