Tasting

Summer is in the air in New York City! The sweet sounds of ice cream trucks singing, birds are chirping, and the MTA stations are becoming spa saunas. Beat the heat and celebrate the beginning of Summer in the best way possible, drinking delicious wines at the New York City Bar!

Our annual Summer wine tasting event is back. Whether you are a bottle of red, or a bottle of white, it all depends on your appetite. Lucky for you, we will have an array of different wines for you to sip while networking with your favorite legal professionals.

This tasting paradise will be led by Paumanok Vineyards, a local vineyard on the North Fork of Long Island. Be prepared for a variety of scrumptious wines and some educational wine facts that will impress your friends and may be Jeopardy clue answers. Hors d'oeuvres will be served.
